

Procedure

The student's task is to study an e-learning course 'Entrepreneurship Basics' and do the given assignments in the handbook. The teacher may decide to assign only parts of the handbook assignments, depending on the target of learning.

Instructions for saving the program and starting the modules:

1. Open Firefox browser
2. Open the page <http://opiskelu.businesscollege.fi/luuka/>
3. Click "e-learning_course.zip" with mouse right button and Save link to a memory stick or to your computer.
4. Find the zip which you have saved, Click right mouse button -> Extract all -> write the name of the folder where you want to save the program (this will take some time because of the size of the program)
5. Go to the folder where you saved the program and Click Index.html with the right mouse button
6. Choose: Open the application -> Firefox
7. Start studying the modules
8. Do the exercises in the handbook as your teacher has instructed you.

Pay special attention to the Post Training Evaluation. Remember to save the handbook because you will need to send it to the teacher as instructed.
